1. As explained in reference (a), this station had not received any notification of action reported in reference (b). When the station was made aware of fact of proposed alterations, action was taken to obtain a copy of the OM (under separate cover).

2. On review of the OM, this station is at a loss to explain why only \$1,650 was requested of KUBARK as there is also an expense of \$1,460 entailed in the fabrication and installation of iron grilles (item B-1) which is in KUBARK's interest.

3. All the work listed item A and B-1 in the OM is in KUBARK's interest to have performed. Retroactive approval is requested, in the event [REDACTED] requests additional funds.
